Manning the Gate Roster

Dear Member,

We had a great first week of golf after the re-opening of our golf course.

The course is in great condition thanks to the hard work of our course convenor and grounds staff.

Thanks to everybody that offered up their time to man the entrance over the past week. It has shown to the wider community that Cavan Golf Club is complying with the regulations.

We are once again looking for members to volunteer to man the entrance for next week. Any members that was unable to volunteer last week, are still very welcome to help with this task in the coming week.

To offer your services, you can contact Captain Dave at 087 290-2776

Thanks in advance for any support that you can give.

Cavan Golf Club.
