Open Week Time Sheets

Time sheets for all Open Week events are now open for bookings.

We remind you that it is still a requirement, in the GUI/ILGU issued protocols, that all tee times are booked in advance of play. There will be a Starter on the 1st tee during Open Week so if you are not on the Time Sheet you will not be allowed out on the course.

Please stick strictly to your tee time. Even if the group ahead of you is out of range or gone off the 1st green the 1st person in your group must not tee off until your allotted tee time.

Members:

Book in the usual way via the ClubNet App or on www.cavangolf.ie

Entry to the 2's competition is optional but must be confirmed & paid for at the same time as your tee time booking. 2's entry fee will also come out of your competition ePurse.

Member booking/paying for visitor(s) tee times:

A member cannot book in a visitor using the Member's tee time booking facility & cannot pay visitor(s) entry fee(s) from your ePurse. If you would like to book in visitor(s) to play please use the Visitor Tee Time booking section of the App or on www.cavangolf.ie

When you get to the payment section enter in your debit/credit card details to process.

Reminder: Payment will be taken from your account/card & not your ePurse.

We recommend you book the Visitor(s) tee time first & then go back in to the Member tee time booking to book your own tee time alongside your guest(s).

Visitor Booking:

Visitors can download the ClubNet App & select Co Cavan Golf Club from the list of clubs. Then click 'Continue without Account'. In the 'Tee Times' section of the App they can use the 'Visitor' option.

Alternatively they can book on the club website www.cavangolf.ie

Co Cavan Golf Club Open Week 2020

Score Entry

Singles:

The Digital Scorecard will be in operation for all Singles competitions for both members & visitors.

Visitors: We recommend that you download the ClubNet App before play. Please select Co Cavan Golf Club from the list of clubs & on the login screen click on 'Continue without account'. In the 'Visitors' section of the App you will find the Digital Scorecard as well as a video Tutorial on how to enter your score using the Digital Scorecard.

Fourball Betterball:

Physical Scorecards will be used for the 2 Fourball Betterball competitions.

Please follow process as below:

- Before play collect a scorecard from the hut at the 1st Tee Box.
- One person from your pairing must complete your team card for the entire round.
- Do not swap cards with your 'opposites' & do not switch the marking of your card to your playing partner at any stage during the round.
- At the end of play the person who marked the card must sign as 'Player'.
- One signature from each pairing is sufficient so no need for both 'partners' to sign. Then ask one of the pair playing with you to verbally verify your score for each hole and you must clearly record the name of this person in the 'Marker' section of the scorecard. The 'Marker' must not sign the card himself/herself.
- The 'marker' may be contacted by the committee to verify a score.
- Once 'Verified' please return your card to the scorecard box in the clubhouse – around the corner from the Men's Locker Room. You must not offer to return your 'opposites' or anyone else's card to the scorecard box – just return your own card.

Bar & Pro-Shop

The Bar & Pro-Shop will be open for the duration of Open Week. Opening hours for both will be notified to members via the App in the coming days.

App Tutorials

In advance of Open Week see the 'Tutorials' section of the App for directions on how to:

1. Book a Tee Time.
2. Top up your ePurse.
3. Return a score using the Digital Scorecard .
4. Turn on 'notifications' so you are kept up to date on fixtures, results, matchplay draws, club teams, bar & pro-shop opening hours, etc
