It's Great to be back'

Welcome to the May edition of The Swan, sanity has been restored and the smiles are back. The general commentary has been very positive about the course and the developments completed in the winter/spring months.

All we need now is favourable weather to kick off a great summer of golf. Both Mens and Ladies committees have been working hard to finalise fixtures for the year and details are included in this edition.

Driving Range Regulations

This Driving Range is a place for golfers to practice and develop their skills. Please respect those who are practicing beside you.

The Ball Dispenser can be operated in two ways. Golf Club Members can purchase a Range Credit Card in the Pro Shop and top up this card with credits. The card can then be placed on the card reader, hold for a second or two and then the balls are dispensed.

Non-Club Members may use the machine by placing a 2 Euro coin in the slot and 30 balls will be dispensed.

Under no circumstances should any coin other than a 2 euro coin be placed in the machine. Any person found interfering with this machine or collecting/ removing balls from the Driving Range will be asked to leave this facility.

Club Professional looking forward to a busy '21

Our Club Pro Pete Duigan is raring to go and is very excited about the opportunities that the new driving instruction bay will offer to golfers of all ages. The bay is nearing completion and Pete is confident that the project will be completed by the end of May.

The new bay will include the latest Trackman technology which can record ball and swing data and video analysis. He will also be providing custom club fitting and can advise clients on distance measurement for every club in their bag.

Pete will provide lessons every Tuesday evening, all day Thursday and will be in the shop every Saturday afternoon. The shop is carrying a full range of stock and he is an agent for Callaway, Ping and Titliest. He also stresses that if something isn't in the shop he can quickly

acquire whatever it is you want. He will also accept McGurk vouchers against purchases in the shop.

SHOP OPENING HOURS:

Mon – Fri: 10am to 6pm Weekends 9am – 5pm.

Useful tips for Clubnet App

As with all new technology some members experienced difficulty signing in/recording their scores for the first competition of the year earlier this month.

The following steps drafted by Robert Kane should prove helpful.

Signing In Pre-Round

1. Open the Clubnet App
2. Click on the Members icon
3. Click on Digital Scorecard
4. Click on Sign In
5. There will be an option for Competition (example Ladies & Gents Singles Stableford) and General play. Click the sign in button beside your chosen form of play. If you have paid to enter the competition then you must sign in to the competition only and NOT General play.

Entering a Score Post-Round

1. Open the Clubnet App
2. Click on the Members Icon.
3. Click on Digital Scorecard.
4. Click on Enter a Score.
5. For the Competition click on the Enter a Score button beside the competition name. For General play click on the Enter a Score button beside General Play. If you have signed in for the competition then you must Enter a Score in the competition only and NOT General Play.
6. You will be asked to select a marker so put down one of your playing partners from the round.
7. Enter your scores for each hole using the number keypad. Options are available to select the specific hole if you need to change a score for any hole. When all holes have been completed and you are happy with the score entry click "Submit".

WOMEN IN GOLF CHARTER

This is to certify that
COUNTY CAVAN GC
is a registered signatory of the Women In Golf Charter.

By working towards its Charter Commitments, this signatory is contributing towards creating a positive change in golf, one which will create a more-inclusive culture that encourages more women and girls to thrive in the game.
