CLUB FACILITIES AND SERVICES

18 Hole Golf Course

Our stunning course winds through the Drumlin landscape of Cavan, blending natural beauty with strategic design. Mature trees frame the fairways, and the final four holes deliver a thrilling finish. The par-4 15th, with its water hazards, is a true test of skill and nerve.

Bar & Function Room

Relax in our newly renovated bar, the perfect spot to unwind after your round. Enjoy great service, a welcoming atmosphere, and the chance to connect with fellow members. Bar opening hours vary depending on events but generally open Tuesdays, Thursdays, Saturdays and Sundays.

Driving Range & Practice Area

Our modern Driving Range offers ten bays—five covered and five open-air—for year-round practice. One separate bay is reserved for professional coaching. Open daily 10:00am–10:00pm with floodlights for evening sessions. We also boast a practice putting and chipping area for those looking to fine tune their short game.

GOLF, SOCIAL & COMMUNITY ACTIVITIES

Fundraising Events

We proudly support charitable causes through fun and meaningful events such as Play in Pink and fundraisers for St. Christopher's Hospice. These occasions bring members together for a great day of golf while helping those in need. New members are encouraged to join in—these events are a fantastic way to meet and integrate with fellow members.

Social Inclusion Programs

Our club is committed to making golf accessible and welcoming for everyone. We actively run initiatives such as Get into Golf programs, school integration, and community outreach activities to engage people from all walks of life. These programs are designed to introduce new players to the game in a friendly, supportive environment, break down barriers to participation, and promote inclusivity across age groups, abilities, and backgrounds.

Competitive Golf

We offer unrivalled competitive golf with numerous weekly competitions run in a variety of formats to keep things interesting. We have a number of Inter Club teams which provide members the opportunity to travel the country to play competitive golf against other golf clubs, with their fellow members in a team environment.
